

Doctor of Anatomical Sciences (DAS)

Curriculum Map

This curriculum plan is subject to change based on learner needs, program resource availability, and continuous improvement efforts.

YEAR ONE

YEAR TWO

Year 1 -Summer			Year 2 - Summer		
Course	Title	Credits	Course	Title	Credits
DAS 6004	Advanced Gross Anatomy for Teachers I	8	DAS 6007	Advanced Gross Anatomy for Teachers II	8
DAS 6040	Special Topics: History of the Anatomical Sciences	3	DAS 6970	Instructional Practicum	2
DAS 6002	Introduction to Medical Imaging	2	DAS 6009	Seminar: Practice in the Allied Health Professions	1
			DAS 6025	Point of Care Ultrasound	2
	Total semester credits	13		Total semester credits	13
Year 1 – Fall			Year 2 - Fall		
DAS 6003	Philosophical Underpinnings of Medical Education	4	See Electives	Elective (Physiology/radiology/free)	3-4
DAS 6005	Histology for Anatomy Teachers	3	DAS 6011	Measurement and Evaluation in Medical Education	3
	Total semester credits	7		Total semester credits	7
Year 1 – Spring			Year 2 – Spring		
Course	Title	Credits	Course	Title	Credits
DAS 6010	Curriculum Development in Medical Education	3	DAS 6028	Characteristics of Adult Learners	3
DAS 6012	Medical Neuroanatomy for Anatomy Teachers	4	DAS 6013	Research Methods	3
	Total semester credits	7		Total semester credits	6

YEAR THREE

Year 3 -Summer		
Course	Title	Credits
See Electives	Immersion I	4
See Electives	Elective (Physiology/radiology/free)	3-4
See Electives	Elective (Physiology/radiology/free)	3-4
	Total semester credits	10-12
Year 3 – Fall		
See Electives	Immersion II	4
See Electives	Elective (Physiology/radiology/free)	3-4
	Total semester credits	7-8
Year 3 – Spring		
See Electives	Immersion III (Final Defense)	4
See Electives	Elective (Physiology/radiology/free)	3-4
	Total semester credits	7-8

ELECTIVES

Physiology Electives (2 required)

DAS 6021: Cell Physiology (4 cr.)

DAS 6022: Medical Physiology (4 cr.)

DAS 6023: Medical Pathophysiology (4 cr.)

Radiology Electives (1 required)

DAS 6024: Radiology Seminar (1cr.)

DAS 6025: Point-of-Care Ultrasound (2 cr.)

Immersion Electives (12 Credits required) *

**Students can repeat courses as needed)*

DAS 6030: Doctoral Research (4 cr.)

DAS 6970: Graduate Practicum (4 cr.)

Free Electives (4 required)

DAS 6040: Special Topics (1-16 cr.)

DAS 6026: Teaching Paradigms in Medical Education (3 cr.)

DAS 6027: History of Educational Philosophy (3 cr.)

DAS 6018: Principles of Online Course Design (2 cr.)

DAS 6029: Biological Basis of Sensation and Perception (3 cr.)

DAS 6001: Embryology for Anatomy Teachers (4 cr.)
