

Panhellenic Chapters Financial Transparency 2025

The following amounts were presented to the Panhellenic Council from chapter financial chairs. The total amounts listed are under the assumption that New Members will be initiated in the Fall of 2025. The semester of being a New Member is the most expensive due to one-time payments and New Member dues. The University of Idaho requires all first-year students to live on campus, therefore the amounts presented are the amounts for a student living in the chapter facility for the 2025-2026 school year. Please note that the amounts include meals provided by the chapter.

All Greek Life students must pay a \$50 Greek Life Programming Fee each semester. This fee is billed through Student Accounts for the University and is applied during fall and spring semester. Please keep in mind that the Greek Life Programming Fee is not included in chapters' cost breakdown.

The amounts listed are to provide a general overview of sorority finances. Potential New Members will be provided more in-depth financial breakdowns during recruitment. We hope this document is a resource to help Potential New Members and their parents/guardians be more aware of the financial commitments prior to joining our Greek Community.

Please note that sorority finances are separate from the University. If you have a question about a specific chapter's information in this document, we encourage you to reach out to the chapter directly during Primary Recruitment. If you have general questions or would like assistance contacting a chapter, please reach out to the Office of Fraternity and Sorority Life. To learn more about how financial aid might apply to your sorority experience, please reach out to Student Financial Aid Services.
