

### **Housing Options**

All campers may choose to stay in the residence halls (*overnight campers*) or travel to the camp on their own each day (*day campers*) if they live nearby. You will confirm your housing option when you register for the camp.

### **Day Campers**

Day campers pay only tuition, which includes all events for camp as well as lunch and dinner each day.

- Breakfast is **NOT** included for day campers. Day campers will receive lunch and dinner starting Sunday to Friday and will end with a lunch on Saturday.
- For Monday through Friday, day campers should arrive a little before 8 a.m. having already eaten. They will then remain with us until the evening event concludes, which will be between 8 p.m. and 9 p.m. Please check the schedule for details, particularly for Saturday and Sunday which have unique schedules.

### **Overnight Campers**

Overnight campers pay for room and board in addition to tuition. They will stay six nights in our residence halls from Sunday night through Saturday morning.

- Housing check-in takes place at the residence hall on Sunday morning, and we will assist you during checkout on Saturday morning. We have no option to extend your stay earlier or later.
  - Overnight campers receive full meals beginning with dinner on Sunday and ending with lunch on Saturday. All activities will be accompanied by our staff.

- Linens can be provided upon request, but we assume that you are bringing your own linens for a twin XL bed unless you contact at least two weeks before camp. You must bring your own pillow.

### **What To Bring**

Click here to access our [Printable Checklist for LHMC](#). We may update this list as we get closer to camp, so you may bookmark this link if you wish.

### **Counselors & Chaperones**

All campers are accompanied by faculty and camp counselors while attending the summer camp.

- Students are supervised during all classes, meals, activities, etc, and are not allowed to walk across campus without a counselor.
- At our residence hall, we have at least one counselor for every 10 overnight students. Our Resident Advisors (RAs) stay overnight in the dorms in a nearby room and will walk with the students when traveling across campus.
  - We have strict policies regarding room hours and quiet time, and all overnight students sign a behavioral agreement at registration.
  - We manage students at all times, but once students are in their rooms for the evening, they are expected to behave maturely and be considerate of their roommates.
    - If you do not feel that your student will work well in this situation, we ask that you speak with them about courtesy and interpersonal expectations before their arrival.

### **Residence Hall**

Overnight campers will stay in Wallace Hall. Dining facilities are located in the building.

- Wallace Hall offers double occupancy per room. Wallace is centrally located and shares its Eatery Dining Hall and outdoor quad area with our other residence halls.

- With its lounges, community spaces and study facilities, Wallace allows for fun, recreation and studying.
- Wi-fi is available for campers.
- Students will be accompanied by camp counselors at all times in the residence halls and will be escorted by them when walking across campus to attend LHMC events. It takes approximately 10 minutes to walk from the LLC to the Music Building where most camp events will be held.

### **Drop-Off & Check-In**

Housing check-in for overnight campers begins at Wallace Hall between 10:30 a.m. and noon on Sunday.

- At housing check-in, campers can drop off their belongings in their room. Immediately afterward, one of our Resident Advisors will direct you to the camp check-in desk at the Lionel Hampton School of Music.
- All campers will complete their registration for camp at the Lionel Hampton School of Music, where you will receive your camp registration folder.
  - In this packet, there are waivers and a rules packet that must be signed by both parent and student.
  - There is also a schedule overview as well as directions to your first camp event—camper orientation at 12:30. Late arrivals should notify us by email at [music@uidaho.edu](mailto:music@uidaho.edu).

### **Pick-Up**

All campers will present a final concert on Saturday in the Administration Auditorium, immediately following a lunch on the Administration Lawn.

- Family and friends are encouraged to attend both the lunch and concert. It is a wonderful opportunity to see what your student accomplished during the week!
- Students will be released into parent/guardian care immediately following this concert. Please note that the concert length may change slightly depending on the number of camp attendees and ensembles.

## **Dining**

All meals are served at The Eatery at Vandal Village located in Wallace Hall. You can learn more about them, including viewing current menus, on their [website](#).

- If your child has a food allergy or dietary request, we ask that you contact us directly in addition to providing the information on our registration form.
  - Our dining hall has daily options for most dietary needs such as vegetarian and gluten-free options, but we would like to make note of any serious allergies before our campers arrive. You may email us at [music@uidaho.edu](mailto:music@uidaho.edu).

## **Air Travel**

We are not able to offer a shuttle or ride service from any airport to the campus. Before booking your plane ticket, please plan how your student will get from the airport to campus.

- Be aware that some travel options might not be as readily available on Sunday for arrival and Saturday for departure.
- The Moscow/Pullman airport is a 10-minute drive from the UI campus and is our recommended destination for any camper using air travel. There are taxi and app-based ride options available.
  - There is a slightly larger airport in Lewiston, ID - a 40-minute drive south of Moscow - as well as a large airport in Spokane, WA - approximately a 1-hour-and-40-minute drive north of Moscow.
    - The shuttle service from the Spokane Airport to Moscow no longer runs during the summer months, so that is not an option.

## **Students Traveling Without Parents**

If your child is traveling unaccompanied to attend the camp, you must reach out to us in advance.

- There are multiple forms, including a risk management waiver and a rules policy which must be signed by the parent/guardian of any minor attending camp.

- You should include this information in the open field at the bottom of your online registration form, but you should also call or email us to confirm after your registration is complete. We would never want a student to feel lost or forgotten!
- If a camper intends to drive themselves, we can provide parking for the week, but they will be required to turn over the keys of their vehicle to our camp staff until the end of the week. Even if they are not a minor, they will have no reason to leave camp as all meals and transportation is provided for the week.
- We are unable to provide housing for nights other than the listed housing dates, so we recommend that any unaccompanied students arrive and leave on the respective start and end dates of the camp. If this is an issue, please feel free to contact us to see if we can assist you.
- Again, regardless of which option you choose, you should confirm the details with our staff either by email or phone after you have finalized a ticket. If you have questions, feel free to contact us as well.

### **Roommate Requests**

You may request a roommate, and we will do our best to accommodate your requests.

- Because of the complication of housing this many students, we may not be able to fulfill every request.
- To request a roommate, please note this in the “Roommate request” box in the registration form. Be sure to include the roommate’s name that they intend to use on their registration. If both students do not request each other, we will not place the students together.
- We are not able to pair male and female students in the same room/suite, even with parental permission.

### **Dress Code & Clothing**

When performing, campers will wear their camp t-shirt and jeans (or other full-length pants).

- We recommend that you bring layers, because while all ensemble rehearsal rooms are air-conditioned, the practice room building is not.
  - In the past, we have had to pivot to outdoor concerts, so it is also possible that we may perform outside. Please bring protection from the sun (e.g. sunscreen, hats, long-sleeve undershirt, etc.).

### **Pet Policy**

The camp has a **no pets policy**, including times of arrival and departure.

### **Special Needs & Requests**

The Lionel Hampton Music Camp prides itself on being an inclusive, welcoming environment for all students of music.

- If your child has a special request or needs, please feel free to contact us at [music@uidaho.edu](mailto:music@uidaho.edu).
  - As a university, we have various protocols already in place that may be able to help your child, and if not, we will work with you to find a solution if possible.
