

Name:

**Marlon Monkey**

**Borrows Bananas**

**Student Worksheet:**

❖ Directions:

- Read each slide and enjoy the adventure!
- Sometimes you will need to help Marlon make choices.
- There are 3 possible endings to Marlon's story, so try and find them all.
  
- Write what happened when you got to each ending:
  1. What happened when Marlon choose to save until he had just 9 nuts?
  
  2. What happened when Marlon choose to save until he has 15 nuts?
  
  3. What happened when Marlon choose to NOT save nuts and ask for the banana anyway?
  
- After you find all 3 endings, answer these questions:
  1. Was it easier to save or borrow? Why or why not?
  
  2. When did Marlon get the most Bananas? What did Marlon have to do to get those bananas?

3. After Marlon borrowed the Banana, what could he have done better?
4. Was Marlon able to go out and play when he still owed Tucker more nuts? Why or why not?
5. What did Marlon have to do first before he could borrow the bananas?
6. Why did Marlon have to grow his Credit before Tucker would let him borrow the banana?
7. What is something that you want right now? (Toy, game, movie, etc.) What is the best way for you to get that thing? (Saving or Borrowing) Why?
