WELCOME, DUAL CREDIT VANDALS!

At U of I Dual Credit, Vandals Start Here. Vandals Succeed Here! This guide is intended to assist you, our dual credit high school student, in understanding the online registration platform and services and resources available to you as a U of I Dual Credit student.

If you have questions about anything in this guide, please contact the Dual Credit Office at dualcredit@uidaho.edu or 208-885-6400.

WHAT IS DUAL CREDIT?

The University of Idaho Dual Credit Program allows high school students to earn college credit prior to graduating from high school. Credits earned through the U of I can be applied towards high school and college graduation and can be transferred to other colleges or universities.

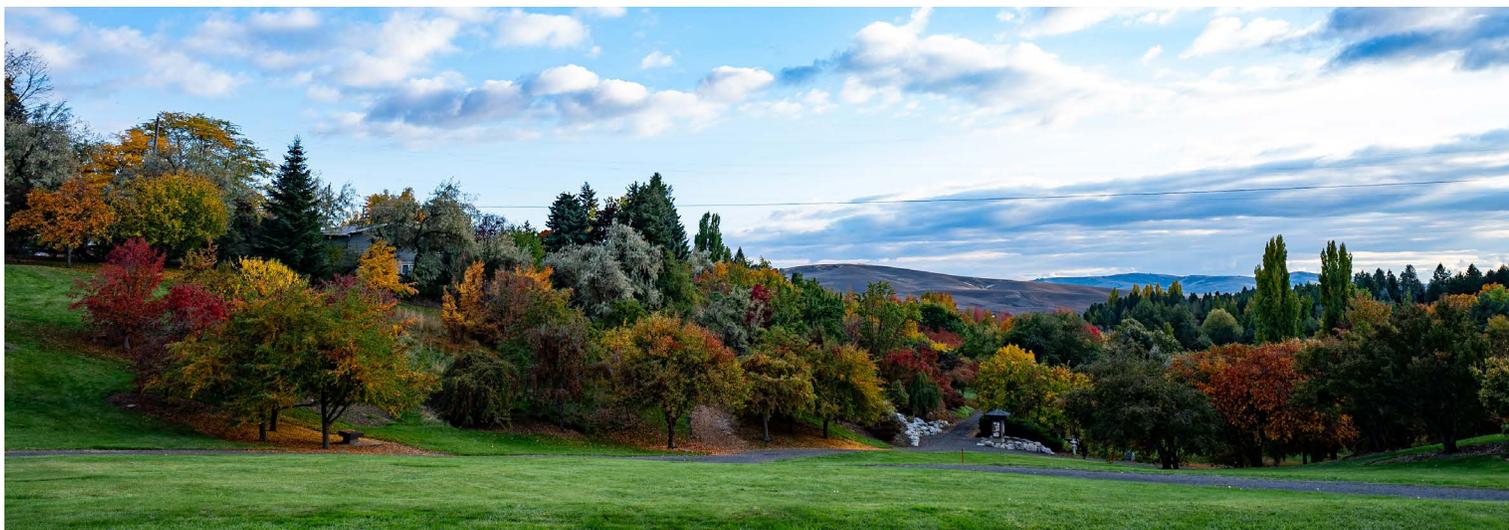

WHAT ARE THE BENEFITS?

- **Save money** – State of Idaho residents enrolled in a public or private high school or homeschool are eligible for discounted tuition of \$75/credit.
- **Flexible options** – Take college courses online, on a U of I campus, or at your high school.
- **Experience college** – Gain confidence and explore potential pathways for life after high school.
- **Campus resources** – Access to academic advising, financial advising, online or in-person tutoring, the largest research library in the state, and more!

AM I ELIGIBLE?

You are eligible to participate in the U of I Dual Credit Program if you:

- Are enrolled in a public or private high school or homeschool
- Have at least a 2.5 GPA
- Have approval of a parent or guardian

DO I NEED TO TAKE A PLACEMENT TEST?

YES, POTENTIALLY...

You must meet any prerequisites for the course(s) you wish to enroll in. Some classes require ACT, SAT, AP, or placement exam scores. The most common classes that require exam scores are:

- Math – You may take the ALEKS Placement Exam to determine which course(s) you are eligible to enroll in. ACT, SAT, or AP Math scores can also be used for placement into Math courses. Visit the Department of Mathematics and Statistical Science Placement page for more information (www.uidaho.edu/sci/mathstat/academics/placement).
- English - Visit the Department of English Writing Placement page for more information (www.uidaho.edu/class/english/academics/first-year/placement).
- World Languages - Modern Language courses in the Global Languages Department use Avant PLACE Placement exams (www.uidaho.edu/class/sgs/placement). Exams are available in Chinese, French, German, Japanese, and Spanish. Visit the School of Global Studies Placement page for more information.

WHAT DEADLINES SHOULD I BE AWARE OF?

It's important to know that the due dates and deadlines for courses taken online or on a U of I campus are different from those taken on your high school campus.

Failure to track the differing dates could result in late submissions that may affect your registration status or result in late fees.

View the Dual Credit Dates and Deadlines page for more information (www.uidaho.edu/academics/dual-credit/deadlines).

CAN I TAKE DUAL CREDIT COURSES IF I'M NOT 16 YEARS OLD?

YES!

The Office of the State Board of Education has a policy that says students under the age of 16 who are enrolled in high school can enroll in courses provided on a college or university campus (online or on a U of I campus) by submitting a petition to the post-secondary institution.

The registration process for students under 16 is similar to the registration process for students over the age of 16 but uses a paper registration form to fulfill the State Board of Education petition requirement.

If you are under 16 and interested in taking dual credit courses through the U of I, email the Dual Credit Office at dualcredit@uidaho.edu for directions.

WHAT IS MY VANDAL NUMBER?

Your Vandal number is your personal U of I ID number (e.g., V00123456). Once you are admitted to U of I as a student, you will be assigned a Vandal number and will receive an email (sent to the email address you entered in DualEnroll when applying for admission) from Admissions with your number.

It's important to make a note of your Vandal number as all departments use this as one type of verification before providing personal information.

WHAT IS MY VANDAL EMAIL?

Your Vandal student email is assigned once you are admitted to the U of I as a student; you will receive an email (sent to the email address you entered in DualEnroll when applying for admission) from Admissions with your new Vandal student email.

To activate your U of I account, which will grant you access to Vandal email, MyUI, and Canvas, you must complete the steps detailed here: support.uidaho.edu/TDClient/40/Portal/KB/ArticleDet?ID=1702. Once your account is activated, you will have access to all the U of I-associated platforms. MyUI will be your source for current course registration information. Vandal email is where all official communication from U of I will be sent. Canvas is where you will access course content, submit work, and communicate with your instructor.

WHO DO I CONTACT IF I'M HAVING TROUBLE ACCESSING MY VANDAL EMAIL?

Forgot your password? Reset it here (help.uidaho.edu/security/reset/).

If you're not able to complete the initial set up or log in to your Vandal email account, contact the Student Technology Center at 208-885-HELP (4357) and select option 1; if you do not receive an answer, leaving a voicemail will create a ticket and the next available technician will contact you. You can also email the Student Technology Center at support@uidaho.edu.

WHAT U OF I RESOURCES ARE AVAILABLE TO ME AS A U OF I DUAL CREDIT STUDENT?

Students enrolled in the Dual Credit Program have access to several U of I resources including:

- U of I Libraries
- Online and/or in-person tutoring
- Writing Center
- Vandal sports events
- U of I Golf Course student discounts
- Vandal Card

WHAT ACADEMIC SUPPORT SERVICES ARE AVAILABLE?

The Center for Disability Access and Resources (CDAR) (www.uidaho.edu/current-students/cdar/students) offers equitable access to U of I programs for students with a permanent or temporary disability by providing accommodations, advocacy, and training.

If you need accommodations, complete the CDAR application as soon as possible as some supports can take two to four weeks to implement.

Visit the Center for Disability Access and Resources page for more information or to make an appointment.

CAN I GET A VANDAL CARD?

YES, IF YOU'RE REGISTERED IN AT LEAST 1 CREDIT AT U OF I!

The Vandal Card is your official U of I ID card, and is used to access library resources, tutoring sessions, Student Recreation Center, and for admittance to athletic events.

Visit the Services page (support.uidaho.edu/TDClient/40/Portal/Requests/ServiceDet?ID=597) for directions on how to request a Vandal Card.

WHERE DO I START?

Before you can register for courses, you must apply and be admitted to the University of Idaho as a dual credit student.

If you are a first-time dual credit student and do not have an existing DualEnroll account, you will need to create an account by clicking on the **Create My Account** link in the U of I DualEnroll portal. Enter an email or phone number that you have easy access to (not a parent's or guardian's email or phone number) as you will receive an email or text with a link to confirm your account; your application will not be processed until you verify your account.

If you have an existing DualEnroll account through another Idaho college or university, you will login to the U of I DualEnroll portal with your existing username and password.

your admissions application by entering the necessary information on the following pages:

- Student Address
- Student Demographics
- Dual Credit Program Terms and Conditions
- Financial Terms and Conditions
- Parent Information
- High School

All fields with a red asterisk (*) on the identified pages are required.

Things to know during the application process:

- ✓ Make sure that you have your current GPA and, if you are enrolled in a public high school, your EDUID (your nine-digit state student ID number).
- ✓ Read, check the box, and type your full name to accept the *Student Acknowledgements* and *Financial Terms and Conditions* before proceeding.
- ✓ Parent or guardian contact information cannot be the same as the student contact information.

Once you've been admitted, you will receive an email from the U of I Admissions Department with your Vandal number and VandalMail address. You will use this information to activate your U of I account which will give you access to MyUI, Vandal email, and Canvas. You will use MyUI to verify your course registrations, drops, or withdrawals, check balances, make payments, and print unofficial transcripts. Your MyUI account can be used to access Canvas.

MyUI is the official record.

Once you have created and confirmed your account (if a first-time DualEnroll user) or logged in using your established username and password, you will complete

HOW DO I REGISTER?

After you have confirmed your DualEnroll account and completed the application pages, you can begin the process of registering for classes.

In Dual Enroll, click on the **Courses** tab to review a list of available courses. The course finder shows which U of I courses are being offered at your high school or you can use the filtering options on the left to narrow the search or look for online courses or those being offered on a

U of I campus. Click on the course name to see the class description and available sections.

When you have found your desired course and section, you will click the **Request Course** button to start the registration workflow for that course; you may then choose to **Select another class, View current status, or Logout.**

Course Detail: College Algebra

COURSE NUMBER: MATH 143

COURSE SUBJECT: MATH

CREDITS: 3.0

COLLEGE: University of Idaho

DESCRIPTION: 3 credits Carries no credit after MATH 160 or MATH 170. Algebraic, exponential, logarithmic functions; graphs of conics; zeros of polynomials; systems of equations, induction. Taught using the Polya Math Center, a studio environment featuring group study, one-to-one interaction with instructors, computer-mediated modules, and lectures. Prereq: Sufficient score on SAT, ACT, or math placement test; or MATH 108 with grade of C or better. It is recommended that MATH 143 be taken within two years of passing MATH 108 or its equivalent. Required test scores can be found here: <http://www.uidaho.edu/registrar/registration/placement>

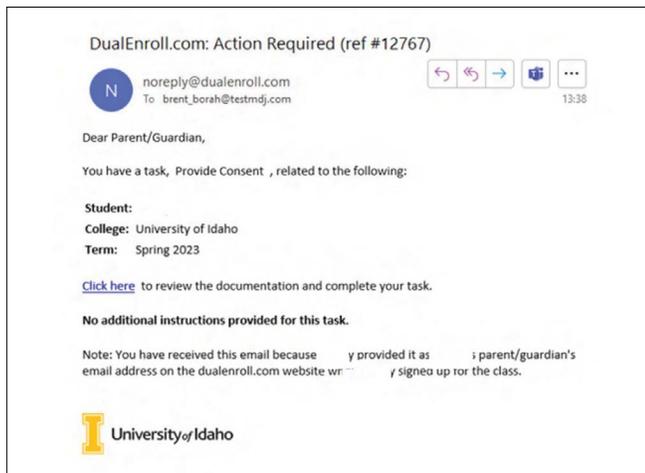

Available Sections

Section	Type	Instructor	Location	Days/Time	Start/End Date	Options
01 Fall 2023		Theresa Allen	Moscow	(Polya Course)	08/21/23 - 12/15/23	Request Course

DOES MY PARENT/GUARDIAN NEED TO DO ANYTHING?

YES!

Once you have requested a course, if you are under the age of 18, the parent or guardian you entered on the **Parent Information** page will receive a text message or email to consent to the request. They must consent before the workflow will continue.

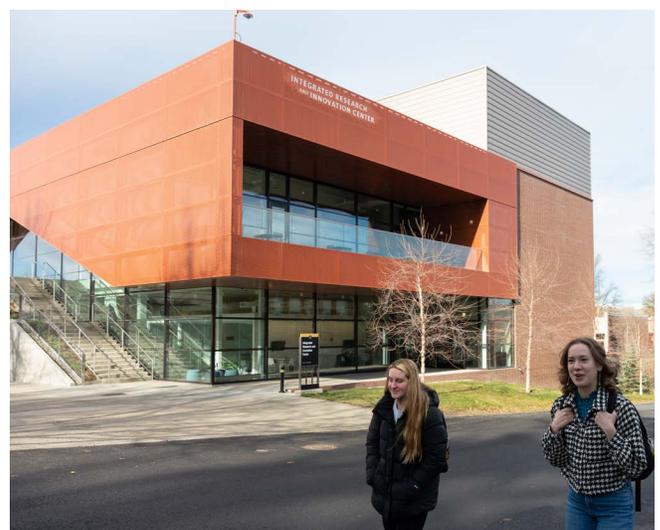

Your parent/guardian will continue to receive notices throughout the registration workflow.

DOES MY HIGH SCHOOL COUNSELOR OR TEACHER NEED TO DO ANYTHING?

YES!

Once you have requested a course, your high school counselor or teacher must approve the request before the workflow will continue.

WHAT COURSES SHOULD I REGISTER FOR?

General education courses (GenEds) are broad-based, interdisciplinary, integrated, multi-year courses required of all students. Idaho institutions may have additional GenEds; for example, U of I has two additional GenEds: American Diversity and International courses. Institutions outside of Idaho may also have general education requirements that may differ from Idaho's. For more information, visit <https://www.uidaho.edu/academics/general-education>

WRITTEN COMMUNICATION (3-6 CR., DEPENDING ON PLACEMENT; CATALOG J-3-A)

- ENGL 101P *Writing and Rhetoric Plus* (4) or ENGL 101 *Writing and Rhetoric I* (3)
- ENGL 102 *Writing and Rhetoric II* (3)

ORAL COMMUNICATION (2-3 CR.; CATALOG J-3-B)

- AGED 101 *Verbal Communication in Agriculture, Food & Natural Resources* (3)
- COMM 101 *Oral Communication* (3)
- COMM 150 *Online Oral Communication* (3)
- PHIL 102 *Reason & Rhetoric* (2)

SCIENTIFIC WAYS OF KNOWING (7 CREDITS MIN; CATALOG J-3-C)

Students are required to complete TWO science courses, from TWO different disciplines, and their accompanying labs, or a CORS course and another course with its accompanying lab.

- CORS 205-297 *Integrated Science* (3)
- BIOL 102+102L *Biology & Society* (3+1)
- BIOL 114 *Organisms & Environments* (4)
- BIOL 115+115L *Cells & the Evolution of Life & Lab* (3+1)
- BIOL 250+255 *General Microbiology & Lab* (3+2)
- CHEM 101+101L *Introduction to Chemistry & Lab* (3+1)
- CHEM 111+111L *General Chemistry I & Lab* (3+1)
- CHEM 112+112L *General Chemistry II & Lab* (4+1)

- ENVS 101+102 *Intro to Environmental Science & Field Activities* (3+1)
- EPPN 154+155 *Microbiology and the World Around Us & Lab* (3+1)
- GEOG 100+100L *Introduction to Planet Earth & Lab* (3+1)
- GEOL 101+101L *Physical Geology & Lab* (3+1)
- GEOL 102+102L *Historical Geology & Lab* (3+1)
- GEOL 212 *Paleontology: Dinosaurs & Prehistoric Life* (4)
- PHYS 100+100L *Fundamentals of Physics & Lab* (3+1)
- PHYS 103+104 *General Astronomy & Lab* (3+1)
- PHYS 111+111L *General Physics I & Lab* (3+1) **Note:** Pre-req: MATH 143
- PHYS 112+112L *General Physics II & Lab* (3+1) **Note:** Pre-req: PHYS 111
- PHYS 211+211L *Engineering Physics I & Lab* (3+1) **Note:** Pre-req or Co-req: MATH 170
- PHYS 212+212L *Engineering Physics II & Lab* (3+1) **Note:** Pre-req: PHYS 211
- SOIL 205+206 *The Soil Ecosystem & Lab* (3+1)

MATHEMATICAL WAYS OF KNOWING (3-4 CREDITS; CATALOG J-3-D)

Note: Many degree programs require specific math courses. *Math 160 should not be taken as a pre-requisite for Math 170.*

- CS 112 *Computational Thinking & Problem Solving* (3)
- MATH 123 *Math in Modern Society* (3)
- MATH 143 *Precalculus I: Algebra* (3)
- MATH 153 *Intro to Statistical Reasoning* (3)
- MATH 160 *Survey of Calculus* (4)
- MATH 170 *Calculus I* (4)
- MATH 175 *Calculus II* (4)
- MATH 275 *Calculus III* (3)
- STAT 153 *Intro to Statistical Reasoning* (3)
- STAT 251 *Statistical Methods* (3)

HUMANISTIC AND ARTISTIC WAYS OF KNOWING (6 CREDITS; CATALOG J-3-E)

Students are required to complete six credits from TWO different disciplines.

Refer to list of approved Humanistic and Artistic Ways of Knowing courses found in Degree Audit or the Catalog.

Note: Many degree programs require specific humanities courses from the approved list. Students should check their degree requirements and discuss this with their advisor.

SOCIAL AND BEHAVIORAL WAYS OF KNOWING (6 CREDITS, CATALOG J-3-E)

Students are required to complete six credits, from TWO different disciplines.

Refer to list of approved Social and Behavioral Ways of Knowing courses found in Degree Audit or the Catalog.

Note: Many degree programs require specific social science courses from the approved list. Students should check their degree requirements and discuss this with their advisor.

AMERICAN DIVERSITY AND INTERNATIONAL COURSES (CATALOG J-3-F)

Note: Certain American Diversity and International courses are cross listed with certain Humanistic and Artistic Ways of Knowing and Social and Behavioral Ways of Knowing courses; these can be used to satisfy both associated requirements.

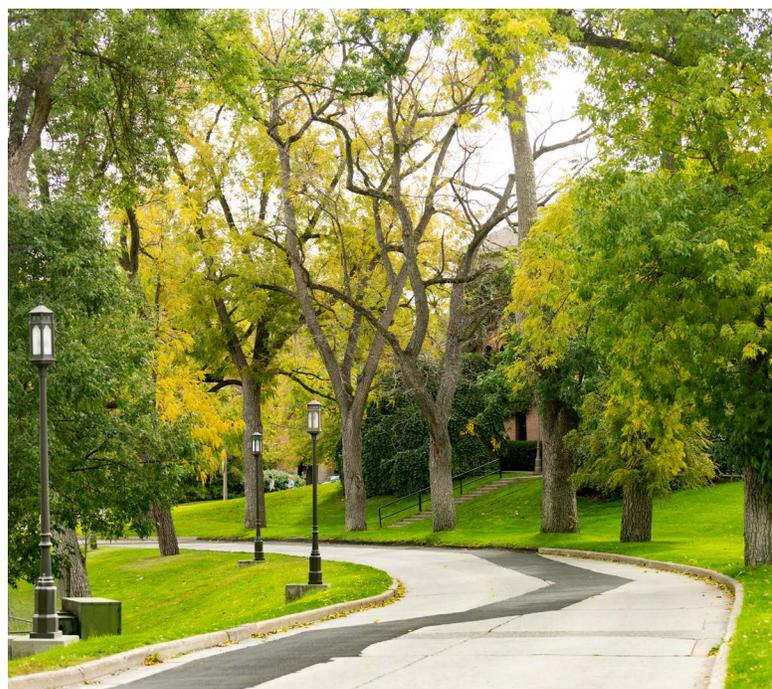

- American Diversity (1 course, 1-4 credits) Refer to list of approved American Diversity courses found in Degree Audit or the Catalog.
- International Course (1 course, 1-4 credits) Refer to list of approved International courses found in Degree Audit or the Catalog.

Note: The International course requirement may be waived if a student successfully completes an approved Summer, Fall, or Spring term abroad through the International Programs Office (IPO).

- Capstone Experience (1 Course) Refer to list of approved Capstone Experience courses found in Degree Audit or the Catalog.

Total of 36 credits

Students must complete a total of 18 credits within the J-3-e, J-3-f and J-3-g categories, and a minimum total of 36 credits in all categories to complete the General Education curriculum requirements.

WHY IS MY REGISTRATION NOT COMPLETING?

First, make sure that you've verified your account, parent or guardian has given approval (if under the age of 18), that your high school counselor teacher has given approval, and that no deadlines have passed.

If these steps are completed and the registration window is open, then you may not meet the requirements for the course or there may be a hold on the course in MyUI. If U of I does not have a record of you completing a course's prerequisite or corequisite or if the course you've requested has a restriction that needs approval, your request will be denied.

You will receive an email or text with specific information about the course and any necessary action.

If you are directed to request a waiver and the teacher agrees that the registration is appropriate, they will enter an override in MyUI. After this has been entered, you must login to DualEnroll and resubmit your course request by selecting the **Resubmit my registration**

request option then **Complete step** to complete the registration process.

If the teacher denies your registration request, you will need to select the **I am not able to take this course, please terminate my request** then **Complete step** to cancel the course request.

The screenshot shows a web interface for a student request. At the top, there are navigation links: Admin, Registrations, Courses, Instructors, Course Reviews, Ongoing Reports, Reports, DS Admin, Help, and Logout. The main heading is "Student: Request waiver from instructor". Below this, there are fields for Student Name, High School, Student ID, Term (Spring 2023), and Course (ACCT 325-01 Intermediate Financial Acct II). A message states: "Your request to enroll in ACCT 325 Intermediate Financial Acct II 01 Spring 2023 was submitted but could not be processed for the reason shown below. If you would still like to take this course, please contact the faculty member teaching the course and request an override. Once the override has been granted, log back in, select the 'Resubmit my registration request option', then click the 'Complete Step' button at the bottom of this page." Below this is an "Explanation:" section with a text box containing "Error registering student: PREREQ NOT MET-CONTACT DEPT". Underneath is a section titled "Resolve Declined Registration Actions" with two radio button options: "Resubmit my registration request" and "I am not able to take this course, please terminate my request". At the bottom left, there is a yellow button labeled "COMPLETE STEP".

HOW DO I ADD, DROP, OR WITHDRAW FROM A COURSE AFTER THE DEADLINE HAS PASSED?

It is your responsibility to be aware of the differing dates and deadlines (<https://www.uidaho.edu/academics/dual-credit/deadlines>). We understand that life happens, however. If you need to enroll, drop or withdraw from a course(s) after the deadline has passed, you must fill out an academic petition prior to posted submission deadlines.

It is important to note that submission of an academic petition does not guarantee a successful add, drop, or withdrawal.

Below are the steps for submitting an academic petition:

- Complete the Academic Petition and Dual Credit Program Registration(if applicable) forms with

all necessary course information and required signatures: student, parent, counselor, and instructor (see example and signature map below).

- Pay \$10 petition fee through Student Accounts. Payment can be made with a credit card over the phone at 208-885-7447 or in-person at Bruce Pitman Center, Room 125.
- Email completed form(s) and payment receipt to dualcredit@uidaho.edu.

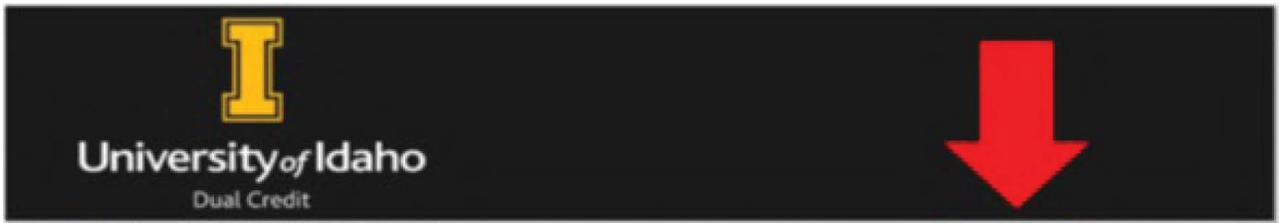

Your petition will be processed and submitted to the appropriate Petition Review Committee member. The Dual Credit Office will contact you with the results.

Things to know about submitting a petition:

- The course's unique class registration number (CRN), subject, number, and section must be included on both the Academic Petition and Dual Credit Program Registration forms.

CLASS REGISTRATION INFORMATION * A non-degree dual credit student may register for no more than 13 credits each semester.							
* CRN Ex: 12345	* Subject ENGL	* Number 101	* Section 99	* Credits 3	* Title Intro to College Writing	Additional Fees	* Instructor or Depart. Signature
12345	MATH	143	114	3	College Algebra		

- The CRN for courses offered at your high school can be found on the Course Schedule page on the Dual Credit website.

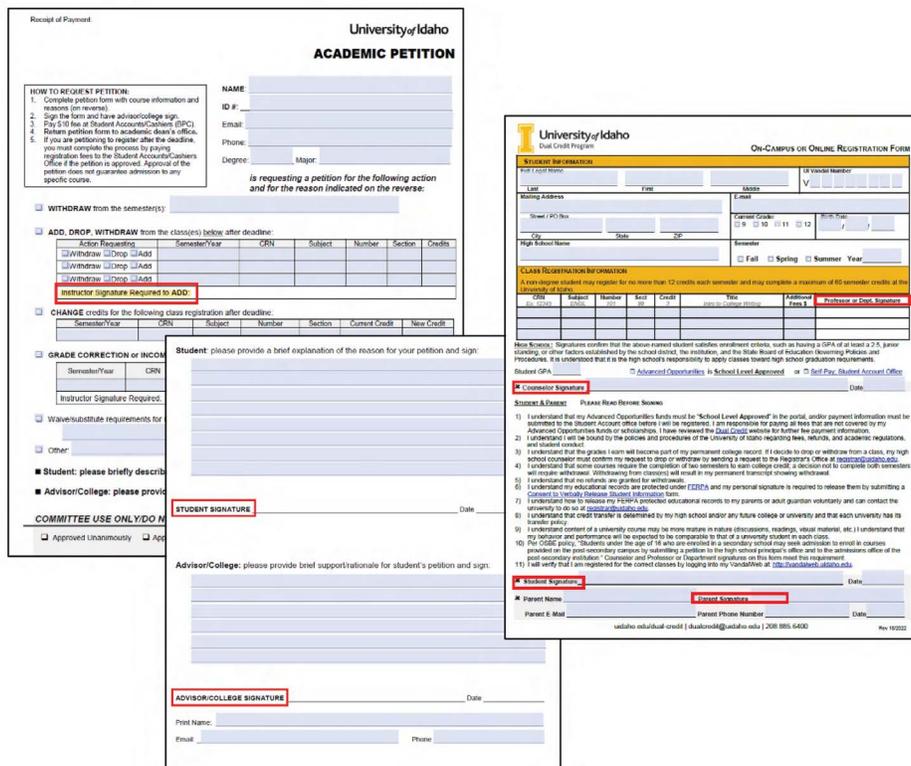

Starting Term	Course Number	Section Number	Course Title	CRN	
Spring 2024	AGED 101	106	Verbal Comm in Agriculture	78188	Bonnerr's Ferry

- The CRN for courses offered online or on a U of I campus can be found on the Class Schedule page.

47917	PSYC	101	02	3	Introduction to Psychology		
		Jan 10, 2024	May 10, 2024		09:30 am - 10:45 am	TR	RENFREW HALL
	Kacy N. Pula				Classroom Meeting	200	145

- All signatures and printed names must be included on both forms. See the included signature map indicating where each signature line is located.

University of Idaho ACADEMIC PETITION

HOW TO REQUEST PETITION:

- Complete petition form with course information and reasons (on reverse).
- Sign the form and have advisor/college sign.
- Pay \$10 fee at Student Accounts/Cashiers (SAC).
- Return petition form to academic dean's office.
- If you are petitioning to register after the deadline, you must complete the process by paying registration fees to the Student Accounts/Cashiers (SAC) if the petition is approved. Approval of the petition does not guarantee admission to any specific course.

CLASS REGISTRATION INFORMATION

A non-degree student may register for no more than 12 credits each semester and may complete a maximum of 60 semester credits at the University of Idaho.

CRN	Subject	Number	Sec	Credits	Days	Time	Additional Fees	Professor or Dept. Signature

How Signers: Signatures confirm that the above named student satisfies enrollment criteria, such as having a GPA of at least a 2.5, junior standing, or other factors established by the school district, the institution, and the State Board of Education (Accounting Policies and Procedures). It is understood that it is the high school's responsibility to apply classes toward high school graduation requirements.

Student GPA: _____
 General Opportunities School Level Approved Self-Pay, Student Account Office

Student ID Number: _____ Date: _____

Student Address: Please Read Before Signing

- I understand that my Advanced Opportunities funds must be "School Level Approved" in the portal, and/or payment information must be submitted to the Student Account Office before I will be registered. I am responsible for paying all fees that are not covered by my Advanced Opportunities funds or scholarships. I have reviewed the Dual Credit website for further program information and student conduct.
- I understand that I will be bound by the policies and procedures of the University of Idaho regarding fees, refunds, and academic regulations.
- I understand that if I am unable to complete my petition, I will be responsible for any fees or charges that may be assessed by my high school counselor. I will confirm my request to stop or withdraw by sending a request to the Registrar's Office at registrar@uidaho.edu.
- I understand that some courses require the completion of two semesters to earn college credit. A maximum of two semesters will accrue withdrawal. Withdrawing from classes will result in my permanent transcript showing withdrawal.
- I understand that no refunds are granted for withdrawals.
- I understand my educational records are protected under FERPA, and my personal signature is required to release them by submitting a Consent to Release Student Educational Information form.
- I understand that I will be responsible for providing all necessary records to my parents or adult guardian voluntarily and can contact the university to do so at registrar@uidaho.edu.
- I understand that I will be responsible for providing all necessary records to my high school and/or any future colleges or universities and that each university has its transfer policy.
- I understand that a university course may be more mature in nature (discussions, readings, visual material, etc.) I understand that my behavior and performance will be expected to be comparable to that of a university student in each class.
- I understand that I will be responsible for providing all necessary records to my parents or adult guardian voluntarily and can contact the university to do so at registrar@uidaho.edu.
- I understand that credit transfer is determined by my high school and/or any future colleges or universities and that each university has its transfer policy.
- I understand that a university course may be more mature in nature (discussions, readings, visual material, etc.) I understand that my behavior and performance will be expected to be comparable to that of a university student in each class.
- I understand that I will be responsible for providing all necessary records to my parents or adult guardian voluntarily and can contact the university to do so at registrar@uidaho.edu.
- I will verify that I am registered for the correct classes by logging into my MyUdaho at: MyUdaho.uidaho.edu

CAN I GET FINANCIAL SUPPORT TO PAY FOR DUAL CREDIT COURSES?

YES!

The State of Idaho Advanced Opportunities (AO) Program provides every student, in grades 7-12, enrolled in an Idaho public school \$4,625 to use towards dual credit courses and approved exams. If eligible, AO covers \$75.00 per credit for courses.

Idaho students in grades 7-12, not attending an Idaho public school may be eligible for up to \$2,500 in funding through the State of Idaho Student Opportunities Assistance Program (SOAP). If eligible, SOAP can reimburse for up to \$75 per credit for courses.

Things to remember about Advanced Opportunities:

- ✓ It is your responsibility to request funding in the Advanced Opportunities portal for AO or SOAP funding prior to posted deadlines.
- ✓ **You will be responsible for any additional fees associated with the course** such as lab and online fees, books, supplies, and transportation.
- ✓ It is your responsibility to pay any charges not covered by AO on or before the term fee deadline. Visit the U of I Dual Credit page for specific deadlines.

Note: U of I dual credit summer courses are not eligible for the discounted tuition rate--you will be charged the current per credit tuition rate.

HOW DO I PAY FOR DUAL CREDIT COURSES?

A bill will be sent to your Vandal email account.

Any balance remaining after Advanced Opportunities (AO) payments have been processed must be paid within 10 days of the start of your class to avoid late fees.

Once you are registered for your course(s), log into your MyUI account to view charges and make payments.

Visit the Student Accounts Billing and Payment page (<https://www.uidaho.edu/current-students/student-accounts/billing-payment>) for more information.

I GRADUATED HIGH SCHOOL. NOW WHAT?

If you're planning to attend the U of I after high school graduation, you will need to submit an undergraduate admissions application through the Admissions Office and include your high school transcript and ACT or SAT test scores.

If you apply for admissions before graduating from high school, an unofficial transcript may be accepted for early admission, however, you must follow-up with a final, official high school transcript as well as official transcripts from any additional colleges or universities from which you've earned credit.

If you will be applying to another college or university, you will order a copy of your U of I transcript online through the National Student Clearinghouse or by fax or mail using the transcript request form. Visit the Registrar's Office Transcript page (<https://www.uidaho.edu/registrar/transcripts>) for more information.

You are responsible for verifying dual credit transferability with the institution you will be applying to.

Note: To ensure that you request transcripts for all dual credit courses you've participated in, review your Advanced Opportunities (AO) or Student Opportunities Assistance Program (SOAP) account to verify any colleges or universities attended as a dual credit student.

Transcripts will not be released if you have an outstanding balance owing to U of I. Accounts with balances greater than \$500 will not be allowed to register or drop courses. Visit the Student Accounts Billing and Payment page (<https://www.uidaho.edu/current-students/student-accounts/billing-payment>) for information on payment plan options and deadlines.
