College of Agricultural and Life Sciences (CALS) in the Residence Halls

Join a residential community designed to support your academic goals!

Open to 1st-year students.

The CALS residential community is on the 4th floor of Ballard in the Wallace Residence Hall.

Make friends! Become part of a community where students share common academic and extracurricular interests.

Get acquainted with and learn from CALS students, faculty and college staff during our events and floor activities.

Increase your academic success! Gain access to our student success initiatives and resources available to you as a CALS student.

The CALS floor gives students the opportunity to live, learn and experience college in a community passionate about people, animals and the environment. Enjoy our specific programming and the convenience of having other CALS students living right next door!
