

Idaho Weed Control Association Scholarship Application

Deadline – March 27, 2026

The Idaho Weed Control Association Scholarship was established for students who are pursuing careers in areas related to plant protection and/or weed control. The scholarship is available to full-time University of Idaho students who will be juniors, seniors, or graduate students at the time the award is paid. The recipient must be a resident of Idaho. Preference shall be given to students majoring in plant protection, plant science (crop management or crop science), soil science, entomology, agribusiness, or range resources. Preference shall be given to students who intend to pursue a career in an area related to plant protection and/or weed control.
