Housing and Residence Life

College of Art and Architecture In the Residence Halls

Combining on campus living with your academic program has never been easier than with specialized communities. Enjoy specific programming and the convenience of having other College of Art and Architecture Students right next door!

- Make friends and become part of a community where students share common academic and extracurricular interests.
- Get acquainted with and learn from Art and Architecture students, faculty and college staff during our floor events and activities.
- Increase your Academic success! Gain access to our student success initiatives and resources available to you as a student in the College of Art and Architecture.
