Other Information: Old Administration Building Steps reconstructed by Class of 1901. Dedicated by Class of 1968. Restored 2002. These historic steps formed the grand stairway leading to the main entrance of the original UI Administration building. Constructed 1889-1899, the original administration building was destroyed by fire March 30, 1906. The stairway was reassembled 30 years later on this site as a monument to the University's first structure and in tribute to the enduring spirit of the University of Idaho.
