

CURRICULUM VITAE

Bridger Feuz

Associate Director, University of Idaho Extension

Aberdeen, Idaho | bfeuz@uidaho.edu | (208) 844-6320 | uidaho.edu/extension

PROFESSIONAL PROFILE

Innovative Extension leader with more than 20 years of progressively responsible experience in Extension administration, organizational leadership, agricultural economics, and statewide program development. Proven record of leading strategic initiatives, strengthening organizational culture, securing external funding, supervising multidisciplinary teams, and advancing impactful Extension programming across rural and statewide communities. Experienced in executive leadership, employee development, strategic planning, stakeholder engagement, and public-facing communication. Recognized nationally for excellence in Extension education, program innovation, and collaborative leadership.

EXECUTIVE LEADERSHIP EXPERIENCE

University of Idaho Extension — Associate Director

Aberdeen, Idaho | 2025–Present

- Provide statewide leadership and administrative oversight for Extension initiatives, employee development, and organizational improvement efforts.
- Lead professional development programming focused on Extension best practices, advisory board engagement, and program excellence.
- Support strategic planning, organizational communication, and employee onboarding initiatives across the Extension system.
- Developed and launched leadership communication tools including statewide video update series and employee orientation programming.
- Represent University of Idaho Extension in regional and national Extension leadership collaborations.

University of Wyoming Extension — Associate Director / Interim Associate Director

Laramie, Wyoming | 2020–2025

- Served as Interim Associate Director before appointment as Associate Director, providing executive leadership for statewide Extension operations.
- Supervised administrative initiatives supporting Extension personnel, organizational development, and program delivery systems.
- Led statewide professional development and onboarding initiatives for Extension faculty and staff.
- Facilitated organizational culture and workforce discussions related to employee engagement, and program effectiveness.
- Assisted with budget oversight, personnel processes, strategic planning, and statewide administrative coordination.
- Coordinated and improved regional meeting structures to enhance communication and organizational effectiveness.

University of Wyoming Extension — Extension Educator and County Coordinator

Evanston and Rock Springs, Wyoming | 2004–2020

- Directed county and regional Extension programming in agriculture, horticulture, youth development, and community education.
- Managed advisory committees, stakeholder partnerships, and county relationships.
- Developed nationally recognized educational programs in agricultural economics and ranch management.
- Delivered educational programming throughout Wyoming and the western United States.
- Supervised local Extension operations, volunteers, and educational initiatives.
- Secured competitive grant funding supporting Extension programming and applied research.

EDUCATION BEYOND HIGH SCHOOL:

Degrees:

Ed.D., 2024, Higher Education Administration Leadership, University of Wyoming, Laramie, WY.
M.S., 1996, Agricultural Economics, University of Wyoming, Laramie, WY.
B.S., 1994, Agriculture Business, University of Wyoming, Laramie, WY.

Certificates and Licenses:

Collaborative Institutional Training Initiative (CITI), Investigator/Student Researcher Certificate, 2024.

EXPERIENCE:**Teaching, Extension and Research Appointments:**

University Extension Educator (Rank-Senior), University of Wyoming Extension, West Region, Evanston, WY. 2011-2020.

University Extension Educator (Rank-Associate), University of Wyoming Extension, West Region, Evanston, WY. 2008-2011.

Awarded Extended Term Appointment. University of Wyoming, 2008.

University Extension Educator (Rank-Assistant), University of Wyoming Extension, West Region, Evanston, WY. 2004-2008.

Non-Academic Employment including Armed Forces:

Business Development Specialist, MMI Genomics, Inc., Davis CA. 1997-2004.

Consulting:

Owner, Master Stockman Consulting, Created and presented ranch management curriculum and provided individual ranch consulting services. 2010-2025.

TEACHING ACCOMPLISHMENTS:**Areas of Specialization:**

Extension Leadership
Program Development
Agricultural Economics
Livestock Marketing
Horticulture

Feuz, B.M. Calf Marketing Strategies, Northwest American Registry of Professional Animal Scientists, Online, 2025. Invited presentation.

Feuz, B.M. Economic Tools for Ranch Managers, Guest lecture for USU Farm and Ranch Management Class, Logan, UT. 2016, 2017, 2019, 2020, 2021, 2022, 2024, 2026. Invited presentation.

Feuz, B.M. *Ranchers Rules of Thumb*. Delivered at WSGA Progressive Rancher Forum, Casper, WY; WESTI Ag Days, Fremont County Farm and Ranch Days, WY/UT Ag Days, MON/DAK Ag Days, Nebraska Cattlemen's College, and North Park Cattle Producers meetings; Green River Valley Cattlemen Meeting, Big Piney, WY; and Duchesne County Cattlemen's, Duchesne, UT. 2017-2022. Invited presentation.

Feuz, B.M. Farm Flock Economics, American Sheep Industry "Let's Grow" Webinar Series. 2021. Invited presentation.

Feuz, B.M. Marketing Tools and Strategies for Lambs, American Sheep Industry Convention, Phoenix, AZ. 2020. Invited presentation.

Feuz, B.M. Marketing Calves in the Commodity Market, Wyoming Stock Growers Progressive Rancher Forum, Casper, WY. 2020. Invited presentation.

Feuz, B.M. Economic Tools for Drought, Central Utah Grazing Expo, Ephraim and Salina, UT. 2019. Invited presentation.

Feuz, B.M. *Sheep, Lamb, and Wool Market Outlook* presentations delivered at regional sheep and wool industry conferences, including the California Wool Growers Convention (Minden, NV), Montana Wool Growers Convention (Billings, MT), and Northwest Sheep Symposium (Gillette, WY), 2011–2019. Invited presentation.

Feuz, B.M. Side x Side Ag, Ag and Horticulture Initiative Meeting, Laramie, WY. 2019.

Feuz, B.M. Partial Budgeting, Guest Lecture UW Ranch Management Class, Laramie, WY 2016-2019.

Feuz, B.M. Sheep Market Break-even, Small flock workshop, Pavillion, WY. 2019.

Feuz, B.M. Sheep Market Considerations, Utah Wool Growers, Logan, UT. 2019. Invited presentation.

Feuz, B.M. Economic Tools for Ag Disasters, Disaster Preparedness Meeting, Kemmerer, WY. 2019.

Feuz, B.M. Understanding NAHMS, American Sheep Industry Convention, New Orleans, LA. 2019. Invited presentation.

Feuz, B.M. Cull Cow Marketing, Wyoming Stock Growers Progressive Rancher Forum, Casper, WY. 2019. Invited presentation.

Feuz, B.M. *Cattle/Livestock Market Outlook* 32 separate presentations delivered at recurring regional agricultural conferences and producer meetings throughout Wyoming, Montana, Idaho, and Utah, including WESTI Ag Days (Worland, WY), Fremont County Farm and Ranch Days (Riverton, WY), WY-UT Ag Days (Evanston, WY), Mon-Dak Ag Days (Sidney, MT), Sheep Producers Workshop (Wright, WY), Wyoming Livestock Roundup Outlook Conference (Douglas, WY), Farm Bureau Young Farmer & Rancher Conference (Evanston, WY), Producers and Feedlot Managers Meeting (Gillette, WY), Western Ag Credit Producer Meeting, and Northwest Intertribal Ag Council Conference (Pocatello, ID), 2006–2019. Invited presentation.

Feuz, B.M. Cull Cow Marketing. WY-UT Ag Days, Evanston, WY. 2019.

Feuz, B.M. Private Pesticide Applicator Training, (Taught 50+ times) Locations Afton, Evanston, Farson, Jackson, Kemmerer, Mt. View, Lyman, Big Piney, Rocksprings and Pinedale, WY. 2009-2019.

Feuz, B.M. Water Conservation. Evanston Rotary Club, Evanston, WY. 2019.

Feuz, B.M. Sheep Cost of Production, American Sheep Industry Convention, San Antonio, TX. 2018. Invited presentation.

Feuz, B.M. Understanding Financial Health. West Central States Wool Growers Young Entrepreneur Session, Casper, WY. 2018. Invited presentation.

Feuz, B.M. Marketing Strategies for Sheep Producers. West Central States Wool Growers, Casper, WY. 2018. Invited Presentation.

Feuz, B.M. Presentations (28) on economic tools, ranch financial analysis, and risk management for ranchers, sheep producers, hay producers, and small acreage operations delivered at Montana Nutrition Conference, Nebraska Cattlemen's Webinar, Colorado Cattlemen's Association, Montana and California Wool Growers, Wyoming Master Wool Grower, Ranch Management Institute, Investing in Ranching Workshops, WESTI Ag Days, Women in Ag Conference, and related producer meetings and workshops in Wyoming, Utah, Colorado, Montana, Idaho, Kansas, Nebraska, and California, 2013-2018. Invited presentations.

- Feuz, B.M. Enterprise analysis and partial budgeting presentations for cattle, sheep, and ranch producers delivered through Master Cattleman, Master Wool Grower, Ranch Management Institute, and extension trainings in Wyoming, Utah, and Nebraska, 2008–2018.
- Feuz, B.M. Ranch business planning and financial management workshops delivered through Ranch Management Institute, Wind River Reservation Ranch Institute, and producer trainings in Wyoming, 2013–2018.
- Feuz, B.M. Genetics, DNA technologies, EPDs, and bull selection presentations delivered at artificial insemination schools, Master Cattleman programs, WBCIA Symposium, Wyoming LEAD Conference, and producer meetings in Wyoming and Utah, 2005–2018. Multiple invited presentations.
- Feuz, B.M. Using the Wyoming Ranch Tools site as a basis for educational programming. National Association of County Agricultural Agents Webinar. 2018.

Patents:

Fantin, D., S. Bates, **B.M. Feuz**, S.K. DeNise and T. Holm. Device and Method For Animal Tracking - *The present invention provides devices and methods for tracking animals. More particularly, embodiments of the present invention provide a method of tracking an animal that includes assigning an animal identification to a first animal, collecting a biological sample from the first animal and associating the first animal with each premises at which the first animal is located. The invention further provides an identification device that includes a tag portion and a sample portion. The tag portion can be configured to be attached to animal in any method known in the art. The sample portion can be detachably coupled to the tag portion and can include a biological collector that can collect a biological sample from the animal.* United States Patent Application 20050051109. Filed Jan. 7, 2004. Patent No. 7,107,936
